Mr. Malcolm A. Frost
Head, BBC Monitoring Service
Caversham Park
Reading, England

Dear Malcolm:

Phil Edwards has just informed me that Captain Wynne is leaving your organization. This, I know, is a great loss to you and one which we too will feel keenly. It was always a pleasure to negotiate our complicated coverage problems with Campbell.

I hope that when you have appointed a successor you will give us the opportunity of showing him through our shop here in Washington. For other selfish reasons I hope that you will make the appointment soon so as not to delay your visit to Washington. Is there any possibility of your coming before fall?

Sincerely,

STAT
